JAWIS

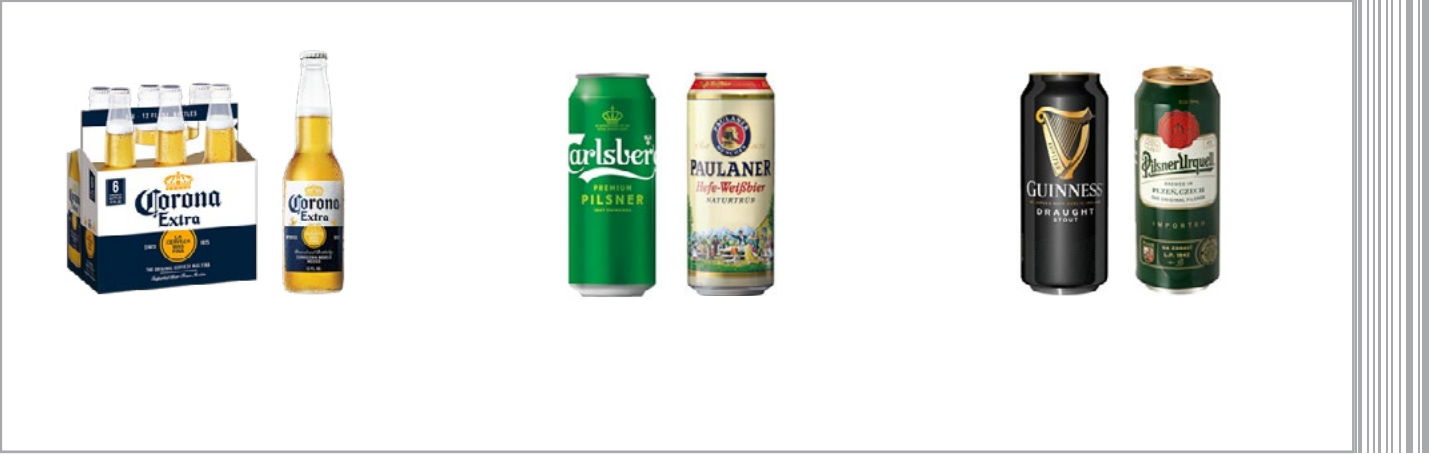

The „Jawis“ wholesale was established in 2017 and now it is a leader in the food industry. We offer a wide range of products, including beverages, alcohol, sweets, and snacks. We are one of the top 10 wholesalers of Coca-Cola and Schweppes.

Our main headquarters is in Białystok, and we also have two branches in Poland: in Łowicz and Rawa Mazowiecka, with plans for further development.

Our comprehensive distribution ensures high quality and competitive prices that will surely meet your expectations. Thanks to our long-standing relationships with manufacturers and suppliers, we can negotiate attractive prices, benefiting both you and your business.

We provide services in the sale of food items, co-packing, modern warehousing, and international transport. We are ready to share our knowledge and expertise in a valuable way to ensure the effective delivery of your business's products.
